Yellow diamonds in the light
And *we* are standing side by side
As your shadow crosses mine
What it takes to come alive

It's the way I'm feeling *I* just can't deny
But I've gotta let it go

We found love in *a* hopeless place
We found love in *a* hopeless place
We found love in *a* hopeless place
We found love in *a* hopeless place

Shine *a* light through *an* open door
Love and life *I* will divide
Turn away cause *I* need *you* more
Feel the heartbeat in my mind

It's the way I'm feeling *I* just can't deny
But I've gotta let it go

We found love in *a* hopeless place
We found love in *a* hopeless place

We found love in *a* hopeless place
We found love in *a* hopeless place

Yellow diamonds
in the light
And we're
standing side by
side
As your shadow
crosses mine

We found love in *a* hopeless place
We found love in *a* hopeless place
We found love in *a* hopeless place
We found love in *a* hopeless place

We found love in *a* hopeless place
We found love in *a* hopeless place
We found love in *a* hopeless place
We found love in *a* hopeless place
