## Don't Let Me Down- The Chainsmokers

Crashing, hit a wall

Right now I need a **miracle**

Hurry up now, I need a miracle

Stranded, reaching out

I call your name but you're not **around**

I **say** your name but you're not around

I need you, I need you, I need you right now

Yeah, I **need** you right now

So don't let me, don't let me, don't let me down

I think I'm losing my mind now

It's in my head, darling I **hope**

That you'd be here when I need you the most

So don't let me, don't let me, don't let me down

Don't let me down

Don't let me down

Don't let me down, down, down

Don't let me down, down, down

Don't let me down, down, down

Don't let me down, don't let me down, down, down

Running out of time

I really thought you were on my side

But now there's **nobody** by my side

I need (...)

Oh, I think I'm **losing** my mind now, yeah, yeah

Oh, I think I'm losing my mind now

I need (...)
